

Name: _____

Ways I have changed

Write down 6 different things that have changed about you since the beginning of Year 2.

It might be how you look, what you've achieved outside of school or things you can do now in school that you couldn't back in September.

The central graphic is a circle with a dotted orange border. Inside the circle, the text "Ways I Have Changed" is written in a blue, playful font. A cartoon girl with orange hair, a blue jacket, and a green shirt with a black cat on it is standing behind the circle. Six rectangular boxes with blue borders and rounded corners are arranged around the central circle, each containing three horizontal lines for writing.
