Could Your Child Be Eligible for Pupil Premium Funding?

Extra Support • Extra Opportunities • Better Outcomes

The Pupil Premium Grant provides schools with additional funding to help children who may benefit from extra support. Many families don't realise they qualify — even if they are working.

You may be eligible if you receive any of the following:

- Universal Credit (with household income below the threshold)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Child Tax Credit (without Working Tax Credit)
- Support under the Immigration and Asylum Act 1999
- Pension Credit (Guarantee Credit)

Why it matters

If eligible, your child's school receives extra funding that can be used for:

- Learning intervention groups
- Free School Meals everyday (which could save nearly £14 per week!)
- Uniform help
- Financial Support towards trips and enrichment activities

- Mental health and wellbeing support
- And much more

This funding directly benefits your child — but only if you apply.

It's quick and confidential

Checking eligibility takes only a few minutes, and your information is kept completely confidential.

How to check

Visit: [Apply for free school meals - GOV.UK](#) Or ask to speak to Mrs Hayward in the school office for help.

Every application helps your child — even if you're not sure you qualify.

AI advice for parents

AI is being used to turn ordinary photos of children into sexual abuse material. The National Crime Agency and Internet Watch Foundation have issued new guidance to help parents make informed choices about sharing images of their children online. It covers reviewing privacy settings, revisiting consent with your child as they grow, and what to do if you're worried.

The parent's guidance can be found here: <https://www.iwf.org.uk/resources/ai-child-abuse-imagery-parent-guide/>

Please note that the Trust are reviewing all of this and will issue guidance to schools to follow once finalised. We have looked into whether MCAS can be used to share images to specific parent groups but this is not feasible. The Trust are also looking at alternatives.

**Roar into action this summer with the
Pride of Portsmouth lion trail**

This summer, Portsmouth has come alive with the Pride of Portsmouth lion trail, a colourful city-wide public art event taking place from Monday 13 July to Sunday 13 September 2026.

As part of the Portsmouth100 centenary celebrations, the trail has been created in partnership with Wild in Art and features a pride of lion sculptures designed by artists and local community groups across the city.

To help schools get involved, we've created free KS1 and KS2 activity packs packed with fun, curriculum-linked activities that encourage creativity, exploration and learning about Portsmouth's history, culture and community.

The trail offers a fantastic opportunity for pupils to develop a sense of pride in their city while engaging with art beyond the classroom.

We'd be grateful if you could share the attached activity pack with staff and families to help children make the most of this exciting city-wide celebration.
