Sam's Entitlement

3. Introduction

This policy has been updated to reflect the DfE school uniform guidance updated on 6 July 2026 and the statutory requirement that governing boards / Trusts must comply with the branded item limit from 1 September 2026.

The school will keep uniform requirements clear, inclusive, affordable and easy for current and prospective parents/carers to understand.

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010

- Clarify our expectations for school uniform in line with the Department for Education's statutory guidance on the cost of school uniform and non-statutory guidance on developing school uniform policy, updated for September 2026.

4. Our School's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, disability, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Provide a flexible choice of uniform items where possible and avoid unnecessarily rigid rules based on sex or stereotypes, while ensuring the policy remains lawful, proportionate, safe and consistently applied.
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow pupils to request reasonable adaptations to swimwear or other uniform requirements for religious, SEND, medical, equality or wellbeing reasons, where this can be accommodated safely and proportionately.
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow pupils with sensory or physical needs to make adaptations to their uniform depending on their specific needs
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Mrs Hayward, admin@westoverprimary.co.uk, who can answer questions about the policy and respond to any requests

5. Limiting the cost of school uniform

Parents should not have to think about the cost of a school uniform when choosing which school to apply for. Therefore, schools need to ensure that their uniform is affordable.

In considering cost, schools will need to think about the total cost of school uniforms, taking into account all items of uniform or clothing parents will need to provide while their child is at the school.

A school's uniform policy should be published on the school's website, be available for all parents, including parents of prospective pupils, and be easily understood.

Schools should engage with parents and pupils when they are developing their school uniform policy.

At Westover Primary School, uniform is worn throughout the school as we believe it encourages a sense of belonging and identity.

6. Uniform at our School

Our aim is that uniform is inclusive and low cost. It consists of the following items

- Grey skirt or pinafore dress, grey or black trousers (not leggings)
- Blue or white shirt/polo shirt
- Blue jumper or cardigan (plain or logo)
- Blue gingham dress
- Blue fleece
- Plain black trainers (anytime)
- Flat, plain style black shoes with no coloured stitching (Winter)
- Flat, black shoes or sandals (Summer - open toed sandals and sling backed shoes are not acceptable)

During the winter months all children should wear a coat.

Specific items can be purchased at Penelope Ann School wear and Hargreaves Promotions.

7. Pre-loved uniform

We ask all parents to donate any uniform that is still in good condition but is no longer used. Please contact Mrs Llewellyn in the school office for second hand uniform. Penelope Ann School wear also have second hand uniform for sale.

8. PE Kits

All children are required to have a PE uniform which consists of

- Plain white t-shirt or house coloured t-shirt
- Black shorts
- Plain black leggings or tracksuit bottoms. School jumper or plain black fleece/hoodie (outdoor PE only)
- Plain black trainers (outside) and black plimsolls (indoor)

9. General Appearance

Pupils should wear clean uniform and have long hair tied back or braided. Shoes should be all black including the soles and in good condition so that pupils are safe and comfortable. Children should not wear jewellery to school, the only exception is small, plain stud earrings which children will need to be able to remove for P.E.

10. Religions and Beliefs

Some religions and beliefs require their adherents to conform to a particular dress code or to otherwise outwardly manifest their belief. This could include wearing or carrying specific religious artefacts, not cutting their hair, dressing modestly, or covering their head. Pupils have the right to manifest a religion or belief, but not necessarily at all times, places or in a particular manner. If our school has good reason for restricting an individual's freedoms, for example, the promotion of cohesion and good order in the

school, or genuine health and safety or security considerations, the restriction of an individual's rights to manifest their religion or belief may be justified.

The school will be sensitive to the needs of different cultures, races and religions and act reasonably in accommodating these needs, without compromising important school policies, such as school safety or discipline. It should be possible for most religious requirements to be met within a school uniform policy, and the local governing board will act reasonably through consultation and dialogue in accommodating these.

11. Engagement with parents/carers

The school will engage with parents and pupils when developing their uniform policy to ensure that it is suitable for their school community, recognising that the school community may change over time. Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner. Disputes about the cost of the school uniform will be dealt with in accordance with the school's complaints policy. The school will work closely with parents to arrive at a mutually acceptable outcome.

12. Discrimination

Even when a policy has been agreed, school staff will be able to allow for some individual variations to their uniform policy, where necessary to avoid indirect discrimination. For instance, reasonable adjustments will be made, as appropriate, for pupils with a disability. We aim to make our school uniform as inclusive as possible so if parents have any requests or concerns then please contact the school.

13. Other things to think about

September 2026 update - attendance and non-uniform days:

The school will consider the link between uniform and attendance. Where a pupil does not have correct or clean uniform or PE kit, staff will consider supportive action and whether short-term flexibility is appropriate.

For non-uniform days, the school will set clear expectations in advance, consider the impact on attendance, avoid making participation dependent on financial contributions, and consider the impact on pupils from low-income families.

Shoulder length and long hair should, for safety and hygiene reasons, be tied back from the face.

Nail varnish, temporary tattoos etc. should not be worn to school. Patterns should not be shaved into hair.

In general, no jewellery should be worn to school. If children have pierced ears, only plain gold or silver studs should be worn. Studs must be removed or covered with tape during all PE lessons; children are expected to remove their own earrings and will be responsible for them; it is preferable not to wear earrings on PE days. Please supply your child with this earring tape in preparation for this.

A small watch may be worn, if your child can tell the time. Smart watches are not allowed to be worn and will be placed in a named envelope and handed to the parent.

Children are encouraged to wear sunglasses and sun hats during the summer months when outdoors. During summer weather, please provide apply a long-lasting sun protection.

Please ensure all items of clothing are labelled with your child's name to avoid them being lost. Lost property is located in the corridor outside the school hall.

During hot weather children should bring a bottle of water and a sun hat into school, every day. Please remember to apply sunscreen in the morning before school.

14. Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply but will follow up with the headteacher if the situation doesn't improve.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

15. Governors

The governing body will review this policy to ensure it is appropriate for the school context, is implemented fairly across the school and is appropriate, practical and safe for all pupils.

16. Associated Policies

This policy should also be read alongside procurement procedures where branded uniform supplier arrangements are used, and attendance guidance where uniform issues may affect attendance.
